Note: The contribution percentages should sum to 100%. Each team member is expected to equally contribute to the work. Contributing less than expected may have a negative effect on the grades of individual members who under-contribute. Contribution imbalances can negatively affect the whole team if lack of communication and coordination are the reasons behind the contribution issues. Each team member must honestly agree with all contribution percentages before signing the form. Honesty violations will be handled according to the academic honesty policy: https://honesty.uga.edu/Academic-Honesty-Policy/process_consequence/

Print, fill, and sign the form. Signatures must be handwritten by each memeber. Digital handwriting using a tablet is allowed if team members cannot meet in person. After every member has filled and signed this form, take a photo of the sheet and upload it on eLC using the same submission box as the assignment. Contribution sheets with signatures typed with a keyboard will not be accepted. **Failure to submit a properly filled group contribution form results in a grade of 0 for the respective assignment.**
